

Random Acts of Kindness Day!

Starting February 14-16, all North Star locations celebrated **Random Acts of Kindness Day** throughout the week. We kicked off the celebration on Valentine’s Day, passing out “Be Kind” roses to random individuals in each of our communities. This generous act was to spread joy throughout the day and was to surprise any individual who received a rose.

Following, all staff at each location came together to donate canned goods and non-perishable items to a local Food-Pantry; Mid-Sioux Opportunity Inc., The Community Basket, and Love Inc. Our mission as a credit union is “People Helping People.” We follow this philosophy and strive to meet the needs of our local communities.

To finish the week, North Star provided an appreciation lunch to local law enforcement; Cherokee County Police and Sheriff’s Department, Ida County Sheriff’s Department, and Sheldon Police Department. North Star wanted to say “Thank you,” for the difference they make every single day!

Acts of kindness can make the world a happier place for everyone. These good deeds can help spread positivity throughout our communities and hopefully encourage others to repeat the good deeds they’ve experienced themselves.
